

Wanted: trading director to help improve the UK's housing system (voluntary)

We are a UK charity seeking to improve the UK housing system by making health and wellbeing central to the way we create and care for our homes and neighbourhoods. We need a trustee with financial experience to join our board and help us improve people's quality of life.

We are looking for an experienced Director to join the Board of Directors of our wholly-owned trading subsidiary, QOLF Trading Limited. We are particularly interested in candidates with a commercial or consultancy background.

RESPONSIBILITIES:

- Oversee and advise on the creation and implementation of the QOLF Trading's strategic direction and business plans
- Monitor sustainable financial performance for sustainable growth and oversee annual budgets.
- Manage legal and regulatory compliance to ensure QoLF Trading's activities do not compromise the charity's status and reputation.
- Represent the QoLF Trading at external events to further its business profile
